Face Sheet
For Technological Needs Project Proposal

County Name: Orange

Project Name: Technology Infrastructure Buildout

This Technological Needs Project Proposal is consistent with and supportive of the vision, values, mission, goals, objectives, and proposed actions of the Mental Health Services Act (MHSA) Capital Facilities and Technological Needs Component Proposal.

We are planning to, or have a strategy to modernize and transform clinical and administrative systems to improve quality of care, operational efficiency, and cost effectiveness. Our Roadmap for moving toward an Integrated Information Systems Infrastructure, as described in our Technological Needs Assessment, has been completed. This Project Proposal also supports the Roadmap.

We recognize the need for increasing client and family empowerment by providing tools for secure client and family access to health information within a wide variety of public and private settings. The Proposal addresses these goals.

This proposed Project has been developed with contributions from stakeholders, the public and our contract service providers, in accordance with California Code of Regulations (CCR), Title 9, Sections 3300, 3310 and 3315(b). The draft proposal was circulated for 30 days to stakeholders for review and comment. All input has been considered, with adjustments made as appropriate.

Mental Health Services Act funds proposed in this Project are compliant with CCR Section 3410, non-supplant.

All documents in the attached Proposal are true and correct.
