

ARTICLE V. RECORDKEEPING AND FEES: GROUND AMBULANCE

Section 504: Ground Ambulance: Personnel Files

Every ambulance service operator shall maintain a personnel file for each attendant and dispatcher employed.

A. Each attendant file shall include:

1. A copy of a current and valid California EMT-I certificate.
2. A copy of a current and valid Orange County Ground Ambulance Medical Transportation Attendant license.
3. A copy of a current and valid medical examiners card.

B. Each dispatcher file shall include:

1. A copy of any certification which may be required for employment.
2. A record of adequate training in radio operation and protocols and emergency response area(s) served, prior to the dispatcher dispatching calls.

Note: For purposes of this Section, "adequate" training of a dispatcher shall be that which meets state standards, if any, or county requirements.

NOTE: Authority Cited for Section 504: County of Orange Codified Ordinances, Section 4-9-11(a), (b), (c), and 4-9-14(a).
