John Wayne Investment Pool

The Money Market Fund is authorized to purchase up to 10 percent of its total assets in a single money market mutual fund. During September, as discussed below, the money market mutual funds within the John Wayne Airport Investment Pool exceeded this threshold.

- 09-30** A purchase in the John Wayne Airport Investment Pool on September 30, 2008 increased the holdings of money market mutual funds to 10.87% of the market value of the portfolio. However, a portion of money market mutual funds were subsequently sold on October 2, 2008 which brought the total money market mutual fund holdings back within the 10% limitation.
