This project is to complete work that was previously included in a contract that the DISTRICT terminated for cause. As such, the award of the contract for this completion work is being handled pursuant to the California continuing contract doctrine rather than Public Contract Code Section 20128. In determining the bidder to which the contract will be awarded, the DISTRICT will consider not only the bidder's price, but also the bidder's technical ability, experience, and competence in performing similar work.
