With the exception of Board Offices, all Departments/Agencies shall use the appropriate form as determined by the Clerk when submitting items to be placed on the Board's agenda for consideration.

Rule 13 Department/Agency Agenda Responsibilities

When submitting an item for consideration by the Board, it is the responsibility of the originating Department/Agency to include, at a minimum, a summary of the requested action, background discussion and any recommended action. The Clerk, consistent with the Brown Act, will provide a brief general description of the recommendation in the posted agenda sufficient to inform interested members of the public about the subject of the item so that they can determine whether to monitor or participate in the meeting at which the item will be considered.

Originating Departments/Agencies shall submit sufficient copies to meet the distribution and processing requirements of the CEO and Clerk. The Clerk may refuse to place any item on the agenda which fails to conform to this Rule.

Rule 14 County Counsel Approval of Legality as to Form

No ordinance, resolution, agreement or contract submitted with an agenda item will be considered by the Board until its legality as to form has been approved in writing and/or by electronic means by the Office of County Counsel.

Rule 15 Adoption of Ordinances

The recommended action section of any agenda item proposing adoption of an ordinance must state that the “title of the ordinance be read and that the reading of the ordinance in its entirety be waived.”

Rule 16 Review and Filing Procedure

All agenda items, except those filed by a Board member, require review by the CEO’s Office prior to submission to the Clerk for placement on the agenda. An agenda item and accompanying back-up documents for placement on a Board agenda must be submitted to the CEO’s Office pursuant to the ASR Submission Calendar published by the Clerk of the Board. Additional requirements may be imposed by the CEO and Clerk to ensure appropriate review and Brown Act compliance.

Agenda items regarding policy issues that are submitted by Board members shall show the Board member proposing the policy as the “Submitting Agency/Department.” Board members shall not use other

departments or agencies for such submissions unless directed by the Board at a Board meeting to develop policy direction for the Board.

The CEO's Office will reflect CEO concurrence or non-concurrence on the agenda item and will submit the item to the Clerk for filing pursuant to the ASR Submission Calendar published by the Clerk of the Board.

Notwithstanding any provision in these Rules of Procedure to the contrary, no Memorandum of Understanding, or amendment, codicil, side letter, or any other modification to a Memorandum of Understanding, including any such documents negotiated pursuant to a reopener clause, between the County of Orange and any employee bargaining unit ("proposed labor agreement"), shall be heard as an item on a Board agenda until and unless, at the time of the meeting during which the matter is heard by the Board, one week has passed since the later of the following to occur: (1) the Clerk of the Board has published a copy of the proposed document on the County public website; and (2) the members of the employee bargaining unit have ratified the proposed labor agreement.

Rule 17 Incomplete/Late Agenda Items and/or Back-Up Materials

Agenda items are to be submitted to the CEO's Office complete with all attachments and back-up materials and meeting the filing requirements in Rule 16. Any item that does not have the agenda item and all back up materials timely filed will be placed on the next regularly scheduled meeting by the Clerk. Exceptions may only be granted in writing by the CEO with written concurrence by the Chair. Late items and/or back-up material will be received by the Clerk no later than the deadline for revised material in Rule 18 unless authorized in writing by the Chair. This rule is to be distinguished from supplemental items, which are covered by Rule 21.

Rule 18 Revisions to Recommended Action and/or New or Revised Information/Documents After Filing

If the originating Department/Agency desires to revise any recommended action and/or add new or revised information/documents to an agenda item after the item has been filed with the Clerk, it is their responsibility to first obtain CEO approval.

If the CEO approves the addition/revision, the Clerk must receive the recommended change, using the appropriate ASR revision memo, no later than 4:00 p.m., Thursday before the Board meeting at which the item is to be considered.

The Clerk will ensure that the additional or revised recommended action, agenda information/document(s) is distributed to the Board offices, CEO, County Counsel, Grand Jury, and public viewing area no later than 10:00 a.m. Friday preceding the meeting at which the item is to be considered. The Clerk will further ensure that the new or revised information is uploaded to the Internet Meeting Agenda materials in a timely manner.

If the Clerk has received the written revision to a recommended action prior to above deadline, a motion to adopt the recommended action shall be deemed a motion to adopt the most recent revised recommended action. The Clerk, at the time of the meeting, will note for the record that the recommended action has been modified from its original submission when appropriate.

Rule 19 Supplemental Correspondence and Information Prior to Board Meeting and During the Board Meeting

If large numbers of the public are anticipated to attend the Board Meeting on a matter and new information will be distributed to the Board Members, then the number of copies should be increased to anticipate the number needed for the public.

- ☑ ***PowerPoint Presentations*** – In addition to providing 20 paper copies at the meeting, departments shall provide an electronic copy of the presentation to the Board Members' Chiefs of Staff and to the Clerk no later 9:00 a.m. Monday, the day before the Board meeting.

The Clerk shall prepare an agenda for each Tuesday meeting for delivery to each Board office, the CEO, County Counsel and the Grand Jury on the Wednesday, two weeks prior, before noon. The agenda shall contain a brief general description of each item to be discussed or transacted at the meeting to which the agenda applies and shall include the full title of any ordinance proposed for adoption. The agenda shall indicate the time and location of the meeting and shall be posted by the Clerk as required by law. The Clerk and the Chair shall make a determination that if necessary, a public hearing shall be noticed for a time certain.

("Special vote matters" are those that require a supermajority for passage.)

The Clerk shall also place all Board Directives scheduled for a date certain on the appropriate agenda. No department may continue or delete a scheduled directive without the written consent of the Chair.

Rule 21 Supplemental Agenda Items

Supplemental Agenda items shall be kept to a minimum. With the exception of items submitted by Board members prior to noon on the Wednesday preceding a Board meeting, closed sessions requested by the County Counsel, or administrative errors/actions placed by the Clerk; any supplemental item must be concurred by the CEO, approved in writing by the Chair and received by the Clerk no later than 4:00 p.m., the Thursday before the Board meeting at which it will be considered. Board members and County Department/Agency heads should use the following justification criteria when requesting approval of a supplemental item:

- (a) The item is based upon facts that were not known, nor with the exercise of reasonable diligence could have been known, in sufficient time to meet the ordinary agenda deadline date and hardship will likely result if the supplemental is not agendaized and heard. Items of economic and financial hardship will be given priority consideration.

- (b) The item requires immediate action to avert a crippling disaster, work stoppage or other activity that may severely impair public health, safety, or both.

All supplemental items will be placed on the agenda at the conclusion of the discussion calendar or public hearings if required.

The Clerk shall distribute the supplemental items to the Board offices, CEO, County Counsel and Grand Jury no later than 10:00 a.m. the Friday preceding the Board meeting at which the matter will be considered.

Rule 22 Deletions; Continuances

Any member of the Board may direct the Clerk to delete or continue any item from the agenda, except those items that are filed by another Board member, up to 10:00 a.m. Friday of the week preceding the meeting at which the item is scheduled to be considered. The originator of any item on the Board's agenda, or the CEO on behalf of any department under his

jurisdiction, may direct its deletion or continuation to a date certain by the Clerk at any time prior to the meeting at which it is scheduled to be considered.

Rule 39 County Executive Officer (“CEO”)

The CEO, or a representative designated by the CEO, shall attend each meeting of the Board and shall provide such information to the Board as necessary to assist Board members in their deliberations and decision making.

Rule 40 County Counsel

The County Counsel, or a representative designated by the County Counsel, shall attend each meeting of the Board and shall serve as adviser to the Board on appropriate rules to comply with legal requirements.

Rule 41 Sheriff

The Sheriff, or a representative designated by the Sheriff, shall be available to respond to each Board meeting immediately upon call, shall be the Board’s Sergeant-at-Arms and will carry out all orders given by the

Chair for the purpose of maintaining order and decorum at Board meetings and will insure that the aisles, entrance to the Board Meeting Room and lobby areas are clear and that individuals are seated to maintain public safety in the event of an emergency. As the Sergeant-at-Arms the Sheriff's Deputy will fully enforce Rule 48 dealing with the Security and Safety of Board Room participants.

Rule 42 Department/Agency Heads

Departments/Agencies shall, insofar as practicable, consult with such other Departments/Agencies as may be appropriate to the particular subject, or as referred by the Board, before submitting official correspondence to the Board, in order that necessity for further referral shall be minimized.

Each County, authority or district Department/Agency head, or a designated representative of the Department/Agency head, having any matter on the agenda for consideration by the Board, whether consent or discussion, shall be available for the purpose of providing information to the Board and shall attend any Board meeting when requested to do so by a Board member or the CEO or when, in the judgment of the Department/Agency head, the Board will probably require additional information.

CHAPTER VIII

Participation by the Public

Rule 43 Right to Address Board

Subject to the provisions of these Rules, any member of the public shall have the right during the portion of the meeting reserved for public comments to address the Board on any matter being considered by the Board, or on any issue of interest to the speaker that is within the subject matter jurisdiction of the Board. However, if a matter is set for a public hearing, it shall be out of order for any member of the public to address the Board on such a matter prior to the official opening of the public hearing unless the person's remarks are confined to the specific question of the appropriateness of setting said matter for public hearing.

Rule 44 Use of Speaker's Request Form

Members of the public desiring to address the Board may make comments during the public comments portion of the meeting, and/or during any public hearing. Members of the public desiring to address the Board must complete a speaker request form and deposit the completed form with the Clerk prior to the end of the public comments portion of the meeting, or, in the event of a public hearing, prior to the start of the public hearing. To ensure the orderly conduct of each meeting and public hearing, the Chair may deem "out of order" any member of the public who attempts to address the Board without having first submitted to the Clerk a completed

speaker request form; such a speaker may be found in violation of Rule 46 if his/her conduct actually disturbs the orderly conduct of the meeting or interferes with the Board's ability to accomplish its business.

Rule 45 Public Comments

During the public comments portion of a meeting, a member of the public may directly address the Board on any (or multiple) items on the agenda (excluding public hearings) or on any issue that is within the subject matter jurisdiction of the Board. However, no action may be taken by the Board on off-agenda items unless authorized by law.

Rule 46 Addressing the Board

At the beginning of the public comments portion of the meeting, and at the beginning of any public hearing, the Chair or the Clerk will call the names of members of the public desiring to address the Board. In order to facilitate the orderly conduct of the meeting, the speaker, after approaching the lectern, is requested to announce his or her name and city of residence for the record.

All remarks and questions shall be addressed to the Board as a whole and not to any individual Board member. No question shall be asked of any Board or staff member without first obtaining permission of the Chair. Each person who addresses the Board shall refrain from making personal,

impertinent, slanderous or profane remarks to any member of the Board, staff or the general public. Any person who makes such remarks, or who utters loud, threatening, personal, or abusive language, or who engages in any other disorderly conduct which disrupts, disturbs or otherwise impedes the orderly conduct of any Board meeting shall, at the discretion of the Chair, or a majority of the members, be ruled “out of order” and directed to end his or her remarks and be seated. If such conduct thereafter continues so as to disrupt the orderly conduct of the public’s business, the Chair shall order the person removed from the meeting room. Aggravated cases may be prosecuted on appropriate complaint signed by the Chair, a member of the Board or any other County representative.

It is the policy of the Board to encourage free speech at its meetings in accordance with these rules. No sanction will issue under this rule based on the content of a person’s speech; rather, a speaker may be sanctioned as described herein only if a speaker’s conduct actually disrupts the orderly conduct of the meeting or interferes with the Board’s ability to accomplish its business.

For purposes of this Rule, “disruption” of a Board meeting may include, but is not limited to, speaking beyond the time limits set by these Rules or the Chair, by being unduly repetitious, by engaging in an extended discussion of irrelevancies, by violating the requirements of Rule 44, or by failing to yield to the Chair.

Rule 47 Time Limits

(a) Public Comments During Regular Meeting

Each person desiring to address the Board during the public comments portion of the meeting shall be allotted no more than three (3) minutes to speak.

(b) Public Comments During Public Hearings

Each person wishing to address the Board during a public hearing shall be allotted no more than three (3) minutes to speak.

(c) The Chair retains the authority, in his or her discretion, to reduce the time allotted for each individual speaker (during either public comments or a public hearing) to less than three minutes if the number of persons desiring to speak would prevent the Board from accomplishing its business in a reasonably efficient manner.

(d) When any group of persons desires to address the Board on the same subject matter, the Chair may require that a spokesperson be chosen to represent the group, so as to avoid unnecessary repetition.

(e) A speaker's time (generally three minutes) will be tolled by the Clerk if the speaker is questioned or interrupted by the Chair, or by members of the Board, including the time for the speaker to respond to such questioning.

(f) A member of the public utilizing the services of a translator shall be allotted twice the amount of time to speak as other individual public speakers to ensure that non-English speakers receive the same opportunity to address the Board.

Rule 48 Security and Prohibition of Banners/Signs or other Hazardous Objects

The Board of Supervisors has the power to implement and approve all security measures in the Board Room. Any changes in security procedures shall be shared with the Board in advance. All recordings from security cameras are confidential and are not public records, but copies of such recordings shall be provided to any or all Board Members at their request, absent any state law that may prohibit such distribution.

Signs, posters, banners or other hazardous objects that actually disrupt the meeting shall be prohibited in the Board Room. All bags, suitcases, backpacks, or other suspicious containers shall be examined for contraband prior to entrance to the Board Room. Any large object/container that may be deemed hazardous object which could impair the safety of individuals in the event of an emergency will be prohibited in the Board Room.
