Residential Curbside Service with Manual Curbside Recycling

The City of Newport Beach is the exclusive hauler providing this service for no additional charge. The City maintains a manual curbside recycling program – single cart for trash and recyclables that are separated at Material Recovery Facility (MRF). The City does not provide bulky item pick-up service.

Commercial Service with Recycling Option to be Determined by Waste Hauler

Twenty-four (24) haulers compete on the open market for temporary bin service for large projects. Recycling programs and fees vary by hauler. The haulers generally divert commercial waste to a MRF where recyclables are separated. The following haulers are permitted:

- CR&R
- A2Z Recycling Services
- American Wrecking
- California Waste Services
- Cousyn Grading and Demolition
- Direct Disposal
- Federal Disposal
- GB Services
- Goodwin Enterprises
- Green Environmental Waste & Recycling
- Greenleaf Grading Company
- IRS Demolition
- JB Services
- JD Demolition and Grading
- Kevin Ray Demolition
- Key Disposal
- Newport Coast Demolition
- Rainbow Disposal
- RB Holt
- Robert's Waste & Recycling
- Roche Excavating
- Southern California Environmental
- The Lane Company
- Thomas Demolition
- Tight Quarters
- Tim Greenleaf Engineering
- Universal Bobcat & Hauling
- Ware Disposal
- Waste Management of Orange County

Multi-Family Commercial Service with Recycling Option to be Determined by Waste Hauler

This service is provided in the same manner as the commercial service above.

Electronic Waste (E-Waste)

The City provides periodic e-waste collection events in collaboration with Goodwill of Orange County. Curbside pick-up of e-waste is not provided. Residents may also utilize the Household Hazardous Waste Collection Centers, operated by the County, in Irvine and Huntington Beach.

Universal Waste (U-Waste)

No curbside pick-up service or collection events are provided for U-Waste disposal. The City refers residents to the Huntington Beach HHWCC and the Irvine HHWCC for E-Waste disposal.

Household Hazardous Waste (HHW)

Residents are encouraged to utilize the County Household Hazardous Waste Collection Centers in Irvine and Huntington Beach, free of charge.

Medical Waste

Residents are encouraged to utilize the County Household Hazardous Waste Collection Centers in Irvine and Huntington Beach to dispose used home-generated sharps. No curbside pick-up service or collection events are provided for sharps disposal.

Community-Specific or Other Recycling Programs

The City provides a free household battery recycling program. Drop-off boxes may be found at City Hall, Newport Coast Community Center, Mariners Library Branch and the Main Library.
