## **DUI Roving Patrols in Stanton and Villa Park**

**STANTON, California** (January 18, 2013) – The Orange County Sheriff's Department will be conducting DUI roving patrols in the cities of Stanton and Villa Park on Friday, January 18, 2013. These multi-city DUI teams will target areas that have a high incidence of DUI related arrests and collisions.

The goal of the program is to reduce the rate at which the citizens of Orange County are killed or injured in DUI related collisions. Through implementation of these events, the Orange County Sheriff's Department hopes to significantly reduce deaths, injuries and property damage in each of our contract cities.

Deputies from the Orange County Sheriff's Department are committed to working hand in hand with contract city partners in providing a safe environment for the motoring public.

Grant funding for this program is provided by the California Office of Traffic Safety through the National Highway Traffic Safety Administration.
