About the Orange County Sheriff’s Advisory Council
The Orange County Sheriff’s Advisory Council (OCSAC) was formed in 1979 as a California non-profit corporation for the purpose of supporting law enforcement. Public safety agencies must compete for scarce tax dollars with other public entities in government. Funding is not always available no matter how necessary and worthy a particular request might be. It is on these occasions that the OCSAC renders vital assistance. There are approximately 560 business and community leaders who are member of the OCSAC. For more information about OCSAC, call (714) 647-4593.
