Golf Tournament to Benefit Drug Education

2013 Drug Use Is Life Abuse Golf Invitational

SANTA ANA, California (October 2, 2013) – The Board of Directors of Drug Use Is Life Abuse (DUILA) and the Orange County Sheriff’s Department invites golfers to tee off at the 18th Annual Drug Use Is Life Abuse Golf Invitational on Monday, October 21st at El Niguel Country Club in Laguna Niguel.

This annual tournament provides a truly exceptional golf experience including outstanding tee prizes at every hole on the golf course, on-course contests, and a silent and live auction. Past tee prizes have included designer sunglasses, jewelry and golf accessories. Auction items will include exclusive experiences such as resort vacations and luxury packages.

Major sponsors for the tournament include Diageo, Nolet Spirits and Ketel One. Additional sponsors include AT&T, Paul’s TV, Kaiser Permanente and UPS.

Tournament proceeds will underwrite school-based prevention programs to address youth substance abuse and violence. The founders of DUILA established the organization in 1987 when street drugs caused the death of 12 Orange County youth and factored heavily in violent incidents that killed or permanently injured many more. Since then, DUILA’s prevention programs, support activities and community outreach have impacted thousands of youth. The organization has received national and Presidential acclaim, and their programs have been replicated in numerous U.S. and international communities.

Registration is $6,000 per foursome or $1,500 per golfer which includes breakfast, lunch, on-course refreshments and tee prizes, a Ketel One Vodka reception and dinner. Limited golf spots and tee sponsorships are still available. For more information, visit DUILA’s website at www.duila.org or call (714) 647-4135.
