### OCSD Response to Department of Homeland Security Report

**SANTA ANA, Calif. (March 8, 2017)** –On March 8, 2017 the Orange County Sheriff's Department received a report from the Department of Homeland Security's Office of the Inspector General (OIG) after an inspection of the Theo Lacy facility in November 2016.

We have reviewed the report and all concerns alleged by the OIG have been addressed by the Orange County Sheriff's Department in cooperation with U.S. Immigration and Customs Enforcement, as indicated in the report.

The Sheriff's Department remains committed to the health and safety of all immigration detainees housed at our Theo Lacy and James A. Musick facilities, which both operate under a contract with ICE.
