OC Sheriff’s Department launches motorcycle safety enforcement

DANA POINT, Calif. (June 28, 2019)- The Orange County Sheriff’s Department will be conducting a specialized Motorcycle Safety Enforcement Operation Sunday, June 30, in an effort to lower deaths and injuries.

Extra deputies will be on duty patrolling areas in the city frequented by motorcyclists and where motorcycle crashes occur in the city of Dana Point. Deputies will be looking for violations made by drivers and riders alike that can lead to motorcycle crashes.

Motorcycle fatalities jumped dramatically in California by more than 28 percent from a decade low of 352 in 2010. In 2013, 453 motorcyclists lost their lives, which is at a five-year high. California collision data reveals that primary causes of motorcycle-involved crashes include speeding, unsafe turning and impairment due to alcohol and other drugs by both riders and drivers alike.

Operations like this are aimed at curbing a rise in motorcycle deaths. Over the last several years, motorcycle involved collisions have resulted in 288 fatal and injury crashes within the Sheriff’s Department jurisdiction.
